TASSO PRESIDENT'S REPORT to Annual Conference and AGM **Saturday 26th August 2017**

The Tasmanian Association of State School Organisations Inc. (TASSO) continues its work as Tasmania's peak parent body representing parents of students in government schools. Parental engagement is the foundation of TASSO. 70 years has passed since parents formed the predecessor of this organisation to add a voice, to what is widely recognised as having a positive influence on student educational outcomes, parents.

The Department of Education (DoE) reflect this in their strategic plan, - "Learners First" when they acknowledge the vital role of parents and carers as key partners and stake holders in all education programs.

In previous years we have presented regional reports but this year we are breaking that format by presenting all the information in the President's report. We are a state-wide organisation and need to be seen and presented in that way even thou we have had some events which have been held regionally.

Communications

We continued to maintain communications with all stakeholders at the DoE, through meetings with the Minister for Education Hon. Jeremy Rockliff MP, the Secretary for Education Jenny Gale and the Managers of Learning Services North and South.

We have maintained our alliances with other stakeholders external to the DoE and communicate regularly with both Malcolm Elliott President of the Tasmanian Principals Association and Helen Richardson President of the Tasmanian Branch of the AEU. TASSO are represented on many working groups, Ministerial panels, boards, committees and reference groups, ensuring that the voice of parents of students in public schools is heard. A full list of representations is included later in this annual report.

Recent months have seen the media contact TASSO as their first point of call when seeking opinion on both national and state educational matters with a parent focus, an action that has been strived for as part of the TASSO strategic plan.

Representation and comment given is always in line with TASSO policies which are informed and ratified by members at our Annual General Meeting.

We have continued with our work of assisting individual parents with concerns and school associations and will always make them our first priority.

Community Empowered Schools (CES)

We continue, in partnership with the Professional Learning Institute (PLI), by means of Federal funding of Independent Public Schools, to roll out the CES program. Under this program, we offer training for parents, community members and staff of school association committees to support them to effectively and confidently participate in school governance and decision making, and to support the engagement of the wider school community.

We take this opportunity to thank Kate O'Neill from the PLI for the excellent work she has done on the project this year. We also thank the Secretary for continuing to sell the concept to principals.

Extension of schools years 11 & 12 & retention

TASSO's policy supports the extension of rural schools to years 11 & 12, with funding to enable schools to offer a full range of Year 11 and 12 subjects, as long as the accommodation, transport and allowances to ensure rural and remote students have equal access to Colleges is not changed. We support all government initiatives to encourage students to remain engaged in schooling until the completion of Year 12 or a recognized equivalent educational pathway, as long as this does not diminish the vital role of the Colleges. We support the suspension of further schools extending to Years 11 and 12 until the effect of the current extensions have been evaluated and made publically available.

Advocacy & Support

School Associations are still a primary focus and we have been working with a number of schools throughout the year on a variety of issues, governance and best practice being the main one. The past 12 months has continued to see individual parents contact TASSO for help and information in support of their children.

The New Education Act

This came into effect this year. We have undertaken to work with the DoE to educate school associations on the contents and meaning of the new Act and will continue to do so as supporting documentation is finalised.

TASSO have conducted School Association Education Act Forums in the three regions of Tasmanian and will conduct many more before the end of the 2017 school year.

Thanks

Due to family and other circumstances, I have taken a back seat on the committee for a large part of the year. In my time away my place has been taken initially by Trinette Newell and later by Lisa Gillard. I'd like to thank both ladies, especially Lisa who took on the role so well. Lisa is the sole candidate for President for 2018, and I know she will do an excellent job.

Also, this year, after nine years of service, our long time EO Cassandra Wells decided it was time to try an alternative career path. Cassy had evolved into the soul of TASSO. She knew everyone and everything, and her efficiency was startling. I'd like to thank her for her years of dedicated service.

Debra McOrist-Mitchell, Cassy's assistant stepped up and took on the role of Manager once Cassy left. Debra had been an excellent support for Cass, but left to her own devices, has evolved into a somewhat of a super-star herself.

Additionally, once Cass left the Committee stepped up too, with more members coming into the office and becoming more involved. As a result, I believe we became a better

functioning, more united committee than we've seen before. Thanks to Lisa, Trudy Margetts and Jared Dickason for their assistance here.

Thanks to my Committee for their efforts this year, for their invaluable contributions and advice and for the work they have put in attending meetings on behalf of TASSO, writing and submitting papers, and organising events.

On behalf of the TASSO Management Committee I would like to acknowledge the support, both financial and in-kind, by the Minister for Education and Training and the Department of Education for assisting us which us in continuing our work as the State peak body representing the parents of children in state school education.

INDEPENDENT AUDITOR'S REPORT

To the members of Tasmanian Association of State School Organisations Inc.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Tasmanian Association of State School Organisations Inc. (the Entity), which comprises the statement of financial position as at 30 June 2017, and the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Accounting Officer's Certificate.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the entity as at 30 June 2017 and of its financial performance and its cash flows for the year then ended in accordance with the financial reporting requirements of *Association Incorporation Act (Tasmania) 1964*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Tasmanian Association of State School Organisations Inc. to meet the requirements of the *Associations Incorporation Act 1964 (Tas)* and the associations members. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of management and those charged with governance for the Financial Report

The board is responsible for the preparation and fair presentation of the financial report, and have determined that the basis of preparation is appropriate to meet the requirements of *Associations Incorporation Act 1964 (Tas)* and the associations members and for such internal control as the board determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

BDO Audit (TAS) 82 700 612 091 is a member of a national association of independent entities which are all members of BDO Australia Ltd ABN 77 050 110 275, a Australian company limited by guarantee. BDO Audit (TAS) and BDO Australia Ltd are members of BDO International Ltd, a UK company limited by guarantee, an form part of the international BDO network of independent member firms. Liability limited by a scheme approved under Professional Standards Legislation, other than for the acts or omissions of financial services licensees.

In preparing the financial report, the board is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at: http://www.auasb.gov.au/auditors_files/ar3.pdf This description forms part of our auditor's report.
