The TASSO AGM provides an opportunity for school and college associations to bring issues to a broader forum by placing them on the AGM Agenda as a motion. Motions will be discussed with representatives from schools throughout Tasmania. Successful motions can amend TASSO Policy and or give direction for action to be taken to Government Ministers and Departments.

The closing date for acceptance of agenda items is **Wednesday, July 22nd, 2020**. A template is attached.

Nominate for TASSO Management Committee

TASSO Management Committee members represent parents and school associations on a broad range of working groups and committees, ensuring that their views are presented.

Members of the Management Committee meet regularly with the Minister for Education, officers of the Department of Education and stakeholder groups to discuss policy development and issues affecting students in state schools.

To do this effectively we need strong, diverse, and committed Management Committee and the support of all school associations, to ensure the needs and voice of all families in public education can be heard.

The closing date for the nomination of Officers and Regional Delegates is **Wednesday, July 22nd, 2020**. A Nomination Form is attached.

For further information please do not hesitate in emailing info@tasso.org.au or calling 6243 7718 during business hours.

Yours faithfully,

Nigel Jones
President
